

The job seeker who opts to be on a Career Lifftoff Team is getting as much, if not more, career coaching than if they work 1 on 1 with a pricey coach or consultant. Each group is capped at a maximum of 7 participants, allowing for the benefits of both personalized attention, and also a motivated group going through the same experience at the same time.

Launch Pad Job Clubs carefully vetted Catherine Jewell and has ensured her curriculum for the Career Lifftoff Teams has helped many members return to work faster and, in many cases, for higher salaries. Our goal is to ensure both the high quality and reasonable pricing of our coaching program.

On the rest of this document you can see the pricing comparison between our Career Lifftoff Teams Program and the pricing for working with Individual Coaches, which are circled in red.

The screenshot shows the JobMorph website's pricing page. The header includes the JobMorph logo and navigation links: Home, Professionals, Organizations, Founder, Invite a Friend, Contact, and a 'Join now!' button. The main heading is 'Three Simple Packages' with the subtext 'YOU HAVE OPTIONS OF THE NUMBER OF SESSIONS THAT YOU WOULD LIKE.' Below this, a message says 'Choose the number of sessions that work for you. Save more when you bundle sessions together.' Three pricing cards are displayed:

Package	Price	Additional Info
One 60-Min Session	\$199	
Three 60-Min Sessions	\$398 (circled in red)	Buy 2, Get 1 Free + Access to Group Coaching
Six 60-Min Sessions	\$759	Save 35% + Access to Group Coaching

Each card has a 'CHOOSE OPTION' button at the bottom.
